STATE OF FLORIDA DISBURSEMENT UNIT DIRECT DEPOSIT AUTHORIZATION FORM

WHAT IS DIRECT DEPOSIT?

Direct deposit is also known as electronic funds transfer (EFT). Once authorized, your child support payment will be deposited directly into your account.

WHY SHOULD I AUTHORIZE DIRECT DEPOSIT?

- Eliminate potential mailing delays.
- Eliminate lost or stolen checks.
- Eliminate waiting in bank lines.
- Enjoy automatic deposits while you are on vacation, away on business, or in the event you are ill.

HOW DO I KNOW IF I HAVE A PAYMENT?

You may call the State of Florida Disbursement Unit toll-free at 1-877-769-0251. The automated system will give you the date the last payment was mailed. If using EFT, this would be the date funds were transferred to your bank. In most instances, your funds will be available within two business days of the transfer, depending on your bank's EFT policy.

HOW DO I GET IT STARTED?

If your case is contracted with the Department of Revenue, you will need to contact their office at 1-850-488-5437 for direct deposit options.

If your case is not contracted with the Department of Revenue and you elect to use this service, please complete and return the authorization form below, along with a voided check for your checking account.

If your deposit is going into a savings account, you will need a letter on bank letterhead signed by a bank representative indicating the routing number, account number, and the name on the account. If you have a new checking account and you only have temporary checks, or you do not have a voided check, you will need a letter on bank letterhead signed by a bank representative indicating the routing number, account number, and the name on the account.

After your account is set up with the Clerk's Office, it could take up to two weeks for the State Disbursement Unit to process and begin electronic transfer.
